

Product: Arm Table (A10)

Your purchase and who is C. R. Plastic Products Inc?

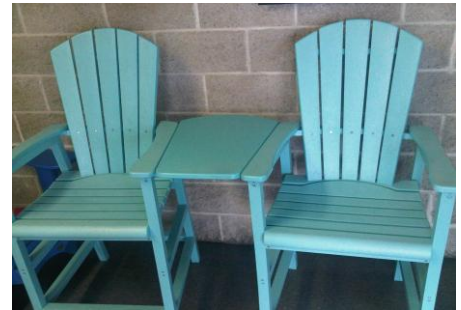

C. R. Plastic Products Inc. is an environmentally conscious Canadian company. Our "Generation Line" of recycled furniture will give you years of comfort, style and maintenance free enjoyment. You will find your furniture to be waterproof and durable. By choosing this product, you are saving generations of trees and are reducing the burden on our landfill sites. Thank-you for purchasing from C. R. Plastic Products Inc.

Parts:

1. Table Top (A)
2. Bag of screws.
(6 - #8 x 1 1/2") (B)

You will need:

1. Drill
2. #2 Robertson or
Phillips screw driver

Step 1: Hold Part (A) under the edge of one arm rest. Carefully line up the front edge of the table to the arm rest.

Step 2: Hold the table in place, and fasten the table to the arm rest with three screws from under the table. This task is made much easier with the help of a person to hold the table while you fasten it to the arm rest of the chair.

Step 3: Repeat the process with the second chair's arm rest, carefully lining it up and fastening it onto the second chair's arm.
